EDITOR'S NOTEBOOK

Dear Archie Readers,

It seems that the biggest news coming out of Archie Comics over the past few months is the new SABRINA THE TEENAGE WITCH TV show. It will premier this September, Friday nights on ABC. For those of you who have access to an online computer, you can get not only a description of the show but (if you have the proper software) a "quicktime movie" clip. The address for the Sabrina TV show website is: **http://www.abctelevision.com/sabrina.html**

If you noticed, I've included my e-mail address at the end of this column. This will give you, the reader, an opportunity to write directly to me and for me to respond much quicker to your suggestions, praises and yes, even complaints. Since I started running my e-mail address two months ago, I've received an astounding six messages. That's not so good. Every morning I go to my computer, anxious to retrieve my mail. But alas, most days I find nothing. ***I am an e-mail deprived editor.*** I'm not telling you this to make you feel bad, just guilty. It's probably not your fault anyway. It must be your parents hogging the computer and not letting you on. I know that deep down you want to write. So, if a computer is not available, do it the old-fashioned way, you know, pen and papef? I usually answer most of my mail.

In the next few months, plan on seeing some changes in the JUGHEAD book. It seems a secret organization called J.U.S.T. is planning to disrupt Jughead's peaceful world of burgers, french fries, pizza, assorted snacks and afternoon naps. ***What does J.U.S.T. stand for?*** I gotta tell ya...it's so secret even I don't know and it was my idea. I guess you'll J.U.S.T. have to wait and see.

Here's something for you T-shirt collectors. This month Archie comics is offering an exclusive ***ARCHIE "VOLLEYBALL" T-SHIRT that is only available to our readers and subscribers.*** You won't find this shirt in any department store, comic shop, restaurant, supermarket, movie theater, drugstore, hardware store, bowling alley, golf course, pet store, factory outlets in New Jersey or bait and tackle shop. Get my drift? Look for the ad in this comic. If you can't find it, either we forgot to put it in or you don't know what a T-shirt looks like.

The Mood Ring

$10 PRIZE

In 1975 mood rings were at the height of fashion. The mood ring consists of a heat-sensitive crystal that changes color according to moods. For instance: purple meant bliss, blue-tranquility, yellow/green - stability, dullness, reddish-brown - irritability, and black - gloom, depression, despair. Other names for this ring include: "Chameleon Ring" or "Thermometer of the mind." These rings sold for as little as $2.00 and as high as $250.00! Although these rings were a hit, they faded quickly. It was said that "the fad would fade before the ring," but they were wrong. Eventually the ring would turn black when it was played out, and you could cheat easily by pressing the ring hard against your finger, making it turn blue.
